Dear Student and C. A. P.

"The kingdom of
heaven is within you," the Bible
says. You certainly are giving
a false impression to the world,
because their ~~our~~ money
colleges in U.S. you could
attend to gain the same
knowledge and then go teach
in a Negro college.

Two murders are at
your door because of being
stubborn about a certain
school.

There are many white
people who might like to be
in different schools ^{but} because
of ability or finances can't be.
And is called only more serious

a barrier than ability or finances

Booker T. Washington didn't
gain his schooling in such
unchristian manners as you
are doing.

Again the kingdom of
heaven is within you.

I live in a certain ward
of my city, I may like the
school in another part of town
better but I can not send
my children there.

Somebody is egging you
on and you foolish to
have let them and go through
the courts. Choose a different
school.

P.S. are you sure
the people egging you
on are doing it because
they truly love negroes or
are hearing what the wicked thinks!!
